“ *My auntie was the most loving beautiful soul anyone could ever meet. I'm still in shock and there was not a time where she was not there for everyone. My heart hurts for my cousins and my grandmother and my mom and auntie Debbie. May god bring us all comfort and peace. I'm honored to have been her niece and to grow up loving her so much. There will never ever be anyone like her. I love you auntie Brenda today, tomorrow, and for always.*

She at least deserved a picture for her obituary so we can see her beautiful face that lives in us all! She deserved that!
