

Deborah A. Weaver

February 9, 1973 - September 21, 2024

On Saturday, September 21st Deborah Ann Weaver passed away at Riverside Medical Center in Kankakee, Illinois from complications relating to cancer. She was 51 years old. Deborah was residing in Stelle, Illinois. Born in Yuba City, California to Dale and Sally Weaver, Deborah spent her young life in California before moving to Illinois in the early 1980s. In her late twenties, Deborah took the leap of a lifetime and moved to the island of Kauai where she relished the beauty and even worked as a Zipline guide. Deborah was passionate about making the world a better place and always had beautiful ideas about how to bring people together in harmony with the land. Not one to let life slip by, Deborah was always up for a road-trip or adventure and fully embraced living life on her own terms. Her biggest joy came from her fur babies, Smokey and Bandit. She will be missed by many friends and family members. A Celebration of Life is planned for October 12th at 1:00 at the Stelle Community Center at 127 Sun St., Stelle, Illinois. In lieu of flowers please consider donating to your local animal rescue organization in Deborah's honor. A tree will be planted in Deborah's name in Stelle.
