“ Annie was my daughters babysitter. And if anyone knows annie. They will laugh. She would tell me when my daughter was bad she was going to put her in the closet with the spiders.. To make her behave. As a matter of fact when i last talked to her right after alyssa got married. She brought that comment up about the closet!!!!

“ Our Heartfelt Condolences go out to Annie’s Family. Our best memories are of Annie as a bubbly happy child! Though not connecting physically as years went by, we remained friends socially. She was a proud Mama and always seemed to enjoy life. May our prayers be with all of her family during this difficult time.
