

Kimberly M. Josh

September 30, 1972 - April 26, 2026

Kimberly M. Josh and Todd D. Josh

Kim passed away on April 26, 2026, and was born on September 30, 1972. She found a passion for providing support for individuals with intellectual, developmental, or physical disabilities as a DSP (Direct Support Professional). Kim spent her life advocating, supporting, and loving those she worked with to be more independent. Kim enjoyed playing games (Trivial Pursuit) with her family, road trips, and her friendships. She loved her animals, tattoos, and Stitch (or anything Disney).

Todd passed away on March 10, 2026, and was born on October 22, 1971. He worked most of his life at Chrysler in various mechanic roles. Todd enjoyed movies, slots, and anything to do with the outside. Todd was generous with his time and money and often went out of his way to help fix family cars or other miscellaneous items. He loved going on adventures and spending time with his kids camping, hiking, floating down the river, or climbing through caves.

The two met in high school in Syracuse, NY, and were married in 1994. Todd's job transferred him in 2006, and the family relocated to Illinois. The family enjoyed many long road trips that involved listening to music, playing games, and finding new places to eat and explore. Kim and Todd are survived by three kids: Samantha, Zack, and Theresa; Kim's mother, JoAnn, and Todd's

parents, Polly and George. They will both be deeply missed by many.

A celebration of their life will be held on May 9 at Christ Community Church in South Elgin at 10:30 am with a visitation following.

“ Kim spent a lot of time at our house when she and my daughter Melissa were growing up. She was always smiling and the life of the party. She and Todd will be missed. Sending thoughts and prayers to her family. May she and Todd rest in the loving arms of the Lord.

Kim was the kind of women who shared her heart and Todd was the kind of man who would make you smile and both would make you laugh so hard your stomach would hurt for two days after. May the light that you shared with so many continue to be a shining beacon. Let the angels send your mom the comfort and love she needs and keep you my friends Kim and Todd wrapped in their loving and comforting wings.
