“ Richard (aka Patrick at work) was one of a kind. No matter what kind of day he was having, he always had a smile on his face. He listened as I vented, cracked jokes to cheer me up, and offered sage advice when needed. The picture of him that I shared might be goofy, but this is how I will always remember him. When I was bed rest after emergency surgery and feeling really down, he and another friend took this picture to cheer me up. If he was this much of a blessing to me in the three years that I knew him, I can't imagine what his family and other friends are going through right now. Words can not express the sorrow and pain I feel for you all. Rest eternally Richard.
