

Troy Allen McElroy

September 30, 1971 - June 28, 2025

Troy Allen McElroy, 53 of Bradley, IL passed away surrounded by family after having complications from his lung disease at Riverside Hospital on June 28. Troy was born September 30, 1971 to Allen & Susan (Osenga) McElroy. He is survived by his father Allen McElroy, his son Dalten Williams, sisters Michele (Tony) Rattin, and Renee McElroy. He also leaves behind nieces Brittany (Zach) Miller, Alyssa Rattin, Alexis McElroy, Neveah Everett, 2 great nieces Zaelynn Miller, Sorah McElroy, and one great nephew Brody Miller. He is preceded in death by his mother Susan McElroy and nephew Cody Rattin. Troy loved fishing, dirt bikes, and always had a deep love for animals, especially his American Bulldogs. He was a jack of all trades in construction from carpentry, roofing, drywall, and also working on small engines. He was never afraid to speak his mind and always was flirting with the ladies, constantly looking for "the one". With the hands-on skills and perseverance he learned from his father he always tried to find a way to fix things for others or himself. He was a man with many layers, some more rough than others. He wasn't shy and made plenty of impressions on others but without a doubt lived unapologetically as himself. He always came in with an entrance letting everyone know Troy "MacDaddy" McElroy was there. He made lifelong bonds leaving many friends behind he had since high school. Our family is forever grateful for his true friends that could handle the MacDaddy himself. Goodbye is never easy but we know he is no longer struggling or in pain. Until we meet again. Cremation rites have been accorded per his wishes and a celebration

of life will be held at a later date.

Arrangements by Evergreen Cremations in Kankakee.
