“ I feel so lucky to have been her friend. We spent countless afternoons just talking about life and the things we loved. She was a constant, kind presence in my life, and the world feels a little quieter without her voice. I love you, Yolanda

I'll never forget the motorcycle ride to kankakee We met at St. Mary's at kankakee and became friends snd worked together in Watseka We had a rough spot for a while but time healed old wounds. “ *We are so sorry for your loss... she was one of the best neighbors we had. Always sent me a Facebook message about what was happening on her end of the street. Or if there was a loose animal in the area, she was always wondering if we knew whose animal it was. Always laughing and always had a smile on her face when we talk face-to-face she was one of the best she will be deeply missed in the area. Lots of love and prayers to the family rest in peace Yo...*
